MALCA-AMIT

YOUR U.K. ADVANTAGE

DELIVERING SOLUTIONS & SAVINGS TO YOUR DOORSTEP

Malca-Amit's new state-of-the-art London-based secure facility provides tailor-made solutions and savings for the diamond, jewellery and watch industries. Since 1963, the Malca-Amit Group of Companies has been providing an unsurpassed level of excellence in customer service, delivering absolute peace of mind when dealing with precious assets. Malca-Amit's international team of specialists are on hand around the clock to understand and fulfill your specific requirements. Our flexibility, innovation and commitment enables you to achieve maximum efficiency when dealing with your precious commodities. By using Malca-Amit's London-based bonded warehouse you can:

- Defer duty on goods until they are sold or removed from the facility
- Only pay UK taxes when goods are withdrawn from the facility and enter the UK market
- Import and export goods from the facility without them entering the UK market, free of UK taxes
- Temporarily remove goods to your UK location for up to three weeks with a tax deposit. The deposit will be refunded by MAUK immediately upon export of the goods from the UK. Taxes may also be paid after this period. *(Note: This is subject to MAUK approval)*
- Temporarily remove goods to an EU location for up to six weeks with a tax deposit. The deposit will be refunded by MAUK immediately upon

export of the goods from the EU. Taxes may also be paid after this period. *(Note: This is subject to MAUK approval)*

- Re-package and re-label specific items imported into the facility without payment of taxes

STORAGE

Security is paramount. Cutting-edge technology and physical surveillance systems guarantee unparalleled security for your precious assets.
